

Core Qualifications

- An experienced investigator who has worked his way up the ranks culminating in a firm understanding of the needs of clients and case objectives.
- Honest, trustworthy with excellent observation and communication skills.
- Trusted to provide management and oversight in case matters ranging from high asset divorces to insurance fraud to corporate concerns.

Leading investigative services for Hawk PI, Brent oversees all aspects of investigations from the initial consultation to the final report. His practical understanding of investigations leads to effective, executable strategies and a high success rate.

Building on his experience from investigator to president, he ensures meticulous coordination and communication to best meet the case objectives, while navigating highly sensitive and confidential matters. In addition to managing cases Brent is responsible for the safekeeping of evidence, providing clients with security and confidence in the results of Hawk PI casework.

Among Hawk PI investigators and clients, Brent is known for making quick, appropriate decisions in dynamic field situations. His investigative experience, leadership, and communications skills make him a key team member at Hawk PI.

HAWK PI

PROFESSIONAL INVESTIGATIONS

Hawk PI provides legal professionals, businesses, and individuals with the foundation of every legal action and investigation:

Truth.

Documented facts are the ultimate leverage in legal casework and investigations, and that's what Hawk PI delivers. Promptly, legally, and with the utmost professionalism.

We review each case carefully to understand your needs and objectives. We know you or your clients are facing difficult, often emotional situations. Hawk PI is committed to helping you develop the best solution for you or your client, even if that solution does not include our services.

Over three decades, Hawk PI has assembled a team of experienced and knowledgeable investigators, many with federal and state law enforcement experience. Our team is supported by cutting edge technology and training which rivals top-tier government agencies. This combination of successful investigators and advanced technology has earned Hawk PI one of the highest success rates in the region.
