

## Walt Murray- Bio

Walt Murray is the Vice President of Horizon Background Screening, and he manages both the Investigations and Pre-Employment Background Screening organizations. Walt has been in investigations for 15 years, and has handled cases that include insurance fraud, homicide, theft, infidelity, premises liability, trucking accidents, locating of assets and people, and a variety of other cases.

Horizon Background Screening offers criminal and civil backgrounds, driving histories, employment verifications, sex offender register searches, drug testing, credit checks and other related services. In his roll managing the Pre-employment team Walt has the responsibility of ensuring FCRA compliance, and reporting accuracy.

### Session 1- Background Checks – Pitfalls and Compliance, Part 1

The potential pitfalls of pre-employment background checks

### Session 2- Background Checks - Pitfalls and Compliance, Part 2

In this session we will cover data accuracy and reporting.
